S2000

For Your Favourite Sports Car

Extend your driving pleasure and equip your Honda S2000 with these genuine racing-inspired accessories from Honda. All are designed specifically for your favourite sports car, extensively tested, and built according to the highest quality standards.

rear headrest speakers

- To further improve sound quality when the roof is down, additional speakers can be fitted into the rear of the headrests.

fender lower protector

- These aerodynamic panels will further smoothen the airflow past the S2000's impressive rear tyres.

front skirt

- To give the exterior of the S2000 a more purposeful stance, there is an optional deep front skirt.

trunk spoiler

- This wing spoiler boasts the same racing-inspired look as the car it is designed for. A smaller version is also available.

hardtop stand

- Store your hardtop with this robust, compact and easily manoeuvrable stand. Easily dismantled and transported.

hardtop cover

- To protect your hardtop use this functional, fitted storage cover made of breathable, anti-static material.

CD changer

- Play and change up to eight CDs. For in-booth installation.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.
